Directions to the WVU Agronomy Farm

This 177-acre farm is only about three miles from the Evansdale Campus in Morgantown. Exiting I-68, take Exit 7 (Airport/Mileground). Travel East on 857/Point Marion Road and go through one stoplight (beside Exxon/Taco Bell) and head down the hill. Take the first right before the bottom of the hill, which will be Old Cheat Road. After about 600m on old Cheat Road, you'll make a left onto Agronomy Farm Road. The farm is at the end of the road.
